## Christmas Eve Worship

There are two opportunities to worship on December 24, Christmas Eve. 11am is a family-friendly creche service where we will celebrate the birth of Jesus in story and song. There will be lots of carols and kids will have an opportunity to participate in the service by helping to construct the nativity scene on our altar. 7:00pm is our regular Christmas Eve candle light worship service. A cookie reception will follow both services.

### Advent 2017: Bring Us Focus: Fill us With Hope, Peace, Joy and Love

“May the God of Hope fill you with all joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit.” — *Romans 15:13*

It has been a stressful year in the life of our nation. Gun violence, racism, political bickering, and stories of sexual harassment and abuse have grabbed the headlines on a daily basis. In the midst of these challenging times, it's easy to lose sight of the good things that God is doing in our world. This year's Advent theme is designed to help us shift our focus from what's going wrong to what's going right. No matter what stresses you these days, I think we can all agree that we could use a little more hope, peace, joy and love in our lives.

In addition to Sunday worship, there are downloadable devotional sheets on our web site, one for each week of Advent. They are designed to *[con't p.2]*

[from p. 1] help us be more prayerful this Advent. If you made Advent Prayer Beads, these sheets will tell you how to use them. If you didn't there are "virtual" prayer beads on each devotional sheet where you can write your prayer requests and intentions.

I've also set up our Angel Station in the gathering space where you can choose a word that represents something you'd like to see more of in your life. Place this word in a prominent spot in your home and make sure to pray for this every day.

Also, don't forget to check out our book cart for lots of great reads for the season.

Blessings,  
**Pastor Dave**
