

## NATIVITY STORY STONES

Gather all of your supplies. Rinse the stones in warm water until all of the powder has been removed. Allow the stones to dry completely.

Once the stones are dry, sketch the designs you'd like onto the stones. Use the paint pens or acrylic paint to color in your drawings.

Use a black paint pen to outline your drawings on the stones; this really helps to make the drawings pop.

Allow the paint to dry completely. If you'd like to protect your stones for many uses, use a spray sealer or Mod Podge.

You are now ready to use your stones to narrate the nativity story. You can even flip them over and write words, scriptures, or scripture references on the back of the stones.

Suggested Basic Set:

- Star
- Angel
- Manger/Stable
- Joseph/Mary
- Baby Jesus
- Shepherd
- Sheep
